Practical Information

Venues
- Main venue: The Royal Danish Academy of Sciences and Letters, H.C. Andersens Boulevard 35, 1553 Copenhagen V, DK
- Venue for social activity: Carlsberg Museum, Gamle Carlsberg Vej 11, 1799 Copenhagen V.
- Venue for dinner: Madklubben Home of Carlsberg, Gamle Carlsberg Vej 11, 1799 Copenhagen V.

Contact Information
In case you need help, guidance, or assistance please contact:
Kate Aiko Wickham, Email: kawi@nexs.ku.dk, Phone: 30 63 80 13

The symposium is organized by:
The August Krogh Club, University of Copenhagen
- Dept. of Nutrition, Exercise, and Sports & Dept. of Biology, University of Copenhagen.

The symposium is sponsored by:

Crossroads in Metabolism:
Tales from Talents and Trailblazers

Symposium Program
The August Krogh Club

Note: Please be aware that only water consumption is allowed in the Auditorium. No food and coffee.
Thursday May 23

09:30-10:00 Registration and coffee
10:00-10:30 Introduction to the symposium
- Welcome and practical information /with Prof. Jørgen Wojtaszewski, UCPH, DK.
- August Krogh: The original trailblazer, here, there, and everywhere /with Prof. Jørgen Jensen, Norwegian School of Sports Science, NO.

10:30-12:30 Session 1: Vascular metabolism
Chairs: Assoc. Prof. Tom Jepps and Postdoc Hannah Caldwell, UCPH, DK
- Metabolite Sensing in the Vascular Wall /with Prof. Ebbe Bødtkjer & Casper Homilius, MD, PhD Student, Aarhus University, DK.
- Personalized diagnostics for the prevention and treatment of cardio-metabolic disease /with Prof. Susanna Hofmann & Dr. Sini Susan Joseph, Postdoc, Ludwig-Maximilians University-Munich & Helmholtz Diabetes Center, DE.

12:30-13:30 Lunch, top floor
13:30-15:30 Session 2: Metabolic Regulation
Chairs: Prof. Camilla Scheeele & Assoc. Prof. Andreas Fritzen, UCPH, DK.
- The Genetic Landscape of Metabolism /with Prof. Claudia Langenberg & Alice Williamson, Postdoc, Queen Mary University of London, UK.
- Adipocytes and Hyperinsulinemia /with Prof. Kirsty Spalding & Benjamin Dedic, PhD Student, Karolinska Institute, SE.

15:30-16:00 Coffee break, top floor
16:00-17:00 Keynote lecture
Chairs: Assoc. Prof. Christoffer Clemmensen & Assist. Prof. Anders Gudiksen, UCPH, DK.
- Mapping the human feeding circuitry /with Prof. Giles Yeo, University of Cambridge, UK.
- Group photo at the staircase

17:00-17:15 Group photo at the staircase

Friday May 24

09:00-11:00 Session 3: Drug delivery
Chairs: Ulrik Lytt Rahbek, Vice President of Global Research, Novo Nordisk, DK and Assoc. Prof. Rasmus Kjøbsted, UCPH, DK.
- LNP enabled mRNA drug delivery roadmap with a special focus on the bimolecular corona /with Annette Bak, Head of Advanced Drug Delivery, AstraZeneca, USA & Kai Liu, Senior Scientist in Advanced Drug Delivery, AstraZeneca, SE.

11:00-11:30 Coffee break, top floor
11:30-13:30 Session 4: Redox Metabolism
Chairs: Prof. Michael Davies & Postdoc Camilla Collin Hansen, UCPH, DK.
- Redox Regulation in Metabolism – Pioneers, Proof and Pitfalls /with Assoc. Prof. Thomas E. Jensen & Asst. Prof. Carlos Henriquez Olguín, UCPH, DK.
- Adiponectin receptor stimulation prevents cardiac fibrosis in a mouse model of Duchenne muscular dystrophy /with Assoc. Prof. Christopher Perry & Shivam Gandhi, PhD Stud. York University, CAN.

13:30-13:45 Closing Remarks /with Prof. Henriette Pilegaard, UCPH, DK
13:45-15:00 Lunch and Reception, top floor

Note: Please be aware that only water consumption is allowed in the Auditorium. No food and coffee.
